Instructions:

Step 1: Please provide credit card information for payment (Name on Card, Card Type, Card Number, Expiration Date and 3 Digit Security Code on Back). Orders will be designed/produced in the order that credit card payment information is received. Your card will not be charged until your order is ready to be shipped to you. Portfolios will not be started until your credit card information is on file.

Step 2: Contact your graphics provider and have them send an .eps file of your number and any other graphics that you would like transferred from your car design to the portfolio to Katie@fyemotorsports.com. We can not complete the design of your portfolio without this, so please ask your graphics provider to email those things asap.

Step 3: If my photographer contacts do not have enough recent photos of your car or if you have a specific photo that you want included, you may be asked to provide some additional photos. I will let you know if I need help in this area.

Step 4: As soon as we start the design, I will contact you directly to discuss the content specifics of your portfolio. We will email proofs back and forth to assure you are satisfied with the layout and content.

Step 5: Once we have your portfolio completed, your credit card will be charged for 100% of your order along with shipping charges and your portfolios will be shipped immediately.
